

Brand Guidelines

Data infrastructure **that moves.**

Version 1.0 | April 2026

yesid.dev

Brand identity

TAGLINE

Data infrastructure **that moves.**

Use across all brand touchpoints. Orange emphasis on 'that moves' is optional but preferred in digital contexts.

BRAND ADJECTIVES

Forward

Future-oriented. Believes the best is ahead.

Bold

Takes on hard problems. Ships without hedging.

Reliable

Delivers on time. Every time. No excuses.

CORE SERVICES

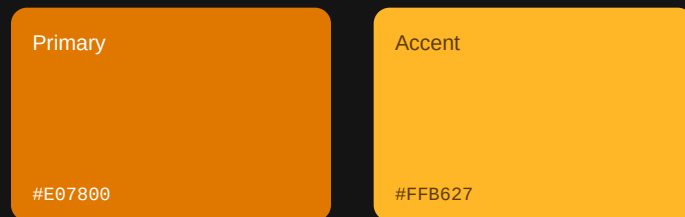

- SQL development & optimization
- Data pipeline architecture
- Analytics & reporting systems
- Database performance tuning

INDUSTRY SPECIALIZATION

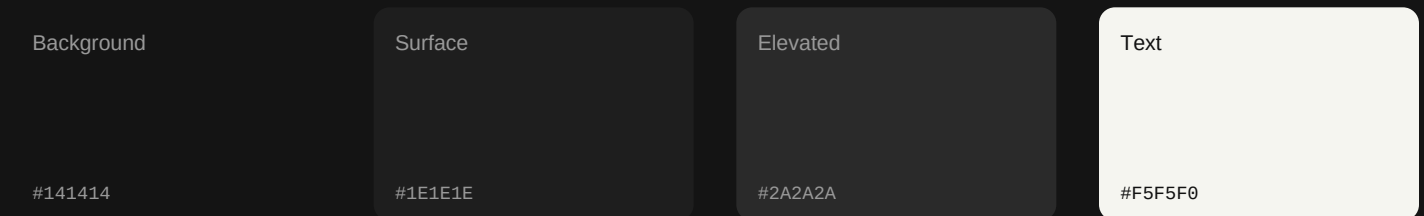

Public transportation data systems (CDPQ Infra, Alto, REM).
Highlight contextually on transit applications, not baked into the tagline.

Color palette

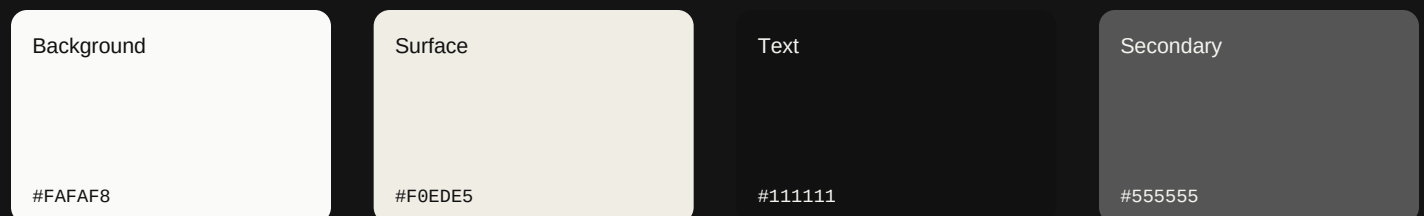

PRIMARY

DARK THEME

LIGHT THEME

USAGE RULES

1. Orange is the primary accent. Use for CTAs, links, highlights.
2. Yellow is secondary. Use for hover states and supporting accents.
3. Never place orange text on yellow backgrounds or vice versa.
4. Maintain WCAG AA contrast (4.5:1 minimum) for all text.
5. Dark theme is the default. Light theme is the alternate.
6. Light theme text is #111111 (not gray) for maximum readability.

Typography

HEADINGS & BODY: INTER

Aa Bb Cc 123

Clean, legible, built for screens. Free on Google Fonts.
Use for all headings and body text across all brand materials.

TYPE SCALE

H1 / Hero

32px / Bold

H2 / Section

24px / Bold

H3 / Subsection

18px / Semibold

Body

14-16px / Regular

Caption

11-12px / Regular

CODE: JETBRAINS MONO

```
SELECT * FROM pipelines WHERE status = 'active';
```

JetBrains Mono for all code. Free on Google Fonts.
Fallback: Fira Code, then system monospace.

Logo

PRIMARY: WORDMARK

The wordmark 'yesid.' is displayed in a white, lowercase, sans-serif font. The period at the end is a small orange square. It is centered within a dark gray rounded rectangle.

On dark backgrounds

The wordmark 'yesid.' is displayed in a black, lowercase, sans-serif font. The period at the end is a small orange square. It is centered within a white rounded rectangle.

On light backgrounds

MONOGRAM (FAVICON, SMALL SPACES)

A stylized orange letter 'Y' monogram is centered within a dark gray rounded square.A stylized white letter 'Y' monogram is centered within a white rounded square.A stylized white letter 'Y' monogram is centered within an orange rounded square.

LOGO RULES

1. Always lowercase 'yesid' with orange period in the wordmark.
2. Minimum clear space: half the height of the 'y' character.
3. Never stretch, rotate, or add effects to the logo.
4. Never change the orange period to another color.
5. On colored backgrounds, use white 'Y' monogram on orange.
6. Minimum size: wordmark 120px wide, monogram 24px.

Application

WEBSITE HEADER (DARK THEME)

yesid.
